

About us

Written by Antal Hajos

Procelsis was founded by [Dr. Antal Hajos](#) based on his two decades experience in pharmaceutical industry being responsible for clinical outsourcing, clinical operations, and offshoring initiatives as well as learnings from leading a European CRO. He is joined by [Dr. Sinisa Cabakovic](#), a medic and MBA; who brings a wealth of medical, medico-marketing, development, pharmacovigilance and medical affairs experience to the table.
